## History

*Nick Kappas emigrated from Greece in 1913 and located in Roanoke. After the VPI vs. VMI annual football game in Roanoke, VPI cadets who frequented a restaurant where Kappas worked, persuaded him to move to Blacksburg to open his own business.*

*He started the restaurant in 1921 in this building, and the business continues today. The restaurant had several different names, but has always been called "the Greeks" by its loyal customers.*

*Today it is known as  
The Cellar Restaurant & 6-Pak.*
